Dear Friend,

The Aurora Fossil Museum Foundation, Inc. proudly presents the Award-Winning North Carolina Fossil Festival on May 26-29, 2023! The North Carolina Fossil Festival (NCF) is a fun, family-focused, celebration to raise funds to support the museum's education-focused mission. Continuing on the success of welcoming 15,000+ people to Aurora, North Carolina for the 2022 NCF, we are gearing up to welcome even more in 2023! Here's what we're planning for 2023:

Friday, May 26: Community picnic to support our Aurora VFD and EMS, opening ceremony, and a Family Movie Night event.

Saturday, May 27: Parade, fossil hunting, fossil exhibits, fossil identification by Paleontologists from the Smithsonian, displays from various Science/History museums locally, regionally, and statewide, dinosaur shows, beer tent, VIP tent, drone demonstrations, Flythe's Bike Shop's Jurassic Classic, food, craft, fossil & mineral vendors, silent auction, Kid's Zone activities, live entertainment, glow party, and a night dig!

Sunday, May 28: Food, craft, fossil & mineral vendors, Kid's Zone activities, slime & foam parties, dinosaur shows, community church service, beer tent, VIP tent, live entertainment, and plenty of fossil hunting!

Monday, May 29: Fossil 5K Race and the Aurora Fossil Museum will host a breakfast in the Aurora Community Center to honor our local Veterans and First Responders.

Whew, we have a lot going on over the four-day event and as with any festival, we rely on the generosity of businesses like yours to hold a successful, fun, and memorable event, unique to North Carolina. We hope you will consider supporting the Aurora Fossil Museum through being a sponsor.

Although donations of any amount will be greatly appreciated, we have multiple levels of sponsorships for you to consider:
