Dear Friend,

The Aurora Fossil Museum Foundation, Inc. proudly presents the Award-Winning North Carolina Fossil Festival on May 25-27, 2024! The North Carolina Fossil Festival (NCFF) is a fun, science education and family-focused celebration to raise funds to support the museum's education-focused mission. Continuing the success of welcoming 13,000+ people to Aurora, North Carolina for the 2023 NCFF, we are gearing up to welcome even more in 2024! Here's what we're planning for 2024:

Saturday, May 25: Parade, fossil hunting, fossil exhibits, fossil identification by Paleontologists from partner museums & universities (including the Smithsonian), displays from various Science/History museums from across North Carolina, dinosaur shows, beer tent, VIP tent, Flythe's Bike Shop's Jurassic Classic, food, craft, fossil & mineral vendors, silent auction, Kid's Zone activities, live entertainment, glow party, and a night dig!

Sunday, May 26: Food, craft, fossil & mineral vendors, Kid's Zone activities, slime & foam parties, dinosaur shows, beer tent, VIP tent, live entertainment from the Main Stage, community church service, and plenty of fossil hunting!

Monday, May 27: Fossil 5K Race and the Aurora Fossil Museum will host a breakfast in the Aurora Community Center to honor and thank our local Veterans and First Responders.

Whew, we have a lot going on over the three-day event and as with any festival, we rely on the generosity of businesses like yours to hold a successful, fun, and memorable event, unique to North Carolina. We hope you will consider supporting the nonprofit Aurora Fossil Museum through tax-deductible sponsorship.

Although donations of any amount will be greatly appreciated, we have multiple levels of sponsorships for you to consider:
